

HELP US HELP OTHERS: SHARE THE PASTA **LOVE** WITH A SENIOR CITIZEN!

Twyrl@home, a fresh pasta meal delivery business, is stepping up to help seniors during the current COVID-19 pandemic by offering a matching opportunity to its customers. "We can do it" by working together!

Now is the time to provide some assistance to those potentially most affected by the current health crisis in the community. When you purchase a **Twyrl@home** meal delivery between now and April 15, we'll deliver up to two *free* meals to a member of the senior community! Choose the meal recipient from among your friends and neighbors, or let us work with senior housing authorities in your neighborhood to identify candidates in need.

The **Twyrl@home** ordering and delivery method is contact free: just order online and we'll leave the meal in a cold pack at your doorstep on the day of your choice. All that's left to do for a fresh, healthy, and delicious meal is to boil the water and heat the sauces. No complicated directions, no trip to the grocery store. Best of all, our pastas and sauces freeze well and cook perfectly directly from frozen. Stock your freezer and enjoy have a great meal any time!

Instructions For Customers:

When you place your order at [Twyrlathome.com](https://www.twyrlathome.com), please make a note in the Delivery Instructions window with the name and address of the senior recipient(s) of the free meal. If you would like us to choose a recipient, we are happy to do so. Also, please note if you would like to send a personal message, which we will include in the package. Thank you for helping us help others!
